

**Services and resources to help
your patients throughout their
treatment journey**

How Alnylam Assist® can help

Alnylam Assist® offers one-on-one patient support throughout the treatment journey.

Support services include:

Support determining coverage and initiating treatment

Navigating financial assistance options

Providing disease and treatment education

Offering resource materials for you and your patients

How to get started

Submit a Start Form to access all Alnylam Assist® services for your patients, or read on for links to access some services individually.

Start Forms for your patient's medication can be found at AlnylamAssist.com/hcp

Electronic Start Form

Complete and submit an Electronic Start Form online with your patient.

Downloadable Start Form

Print and complete with your patient, then fax the completed Start Form to 1-833-256-2747.

If you choose not to submit a Start Form, read on to learn how you can access some Alnylam Assist® services individually.

Services to help determine and navigate coverage

After you and your patient decide on treatment, the next step is to confirm their coverage and get approval. Alnylam Assist® can help.

Benefit verification

An Alnylam Case Manager can conduct a benefit verification and send a summary to you and your patient within 2 business days of submitting a Start Form.

Reimbursement, prior authorization, and appeals support

The Alnylam Field Reimbursement Team is available to answer coverage, coding, and reimbursement questions about Alnylam products, including the process for submitting a prior authorization and reimbursement claim.

There are two ways to access support:

- Submit a Start Form
- Contact an Alnylam Sales Representative to be connected to a member of the Field Reimbursement Team

Services to support treatment initiation and follow-through

Once coverage is determined, it's time to plan for your patient's first dose and beyond. Alnylam Assist® supports this process in several ways.

Treatment site selection support

- A member of the Field Reimbursement Team can provide education on how to select a treatment site
- An Alnylam Case Manager can provide information to your office and your patient to help align on a site of care after a Start Form has been submitted
- A treatment site locator is also available for your reference. You can find this tool on the Alnylam Assist® website

Treatment follow-up & support

Alnylam Case Managers will work with patients to help with treatment reminders and follow up to help answer patient questions after a Start Form has been submitted.

Financial assistance programs

Alnylam offers multiple financial assistance options for your eligible patients.*

Alnylam Assist® Copay Program†

The Copay Program covers certain out-of-pocket costs for eligible patients with commercial insurance.

There are two ways for your patients to access the Copay Program:

- An Alnylam Case Manager will automatically enroll your patient when you submit a Start Form
- Eligible patients can also self-enroll by visiting AlnylamAssistCopay.com

Independent foundations

Organizations outside of Alnylam may offer financial assistance to patients who are uninsured or underinsured. You can explore relevant foundations through the Alnylam Assist® website.

These foundations are not associated with Alnylam, and Alnylam is not recommending one foundation over another.

*Patients must meet specified eligibility criteria to qualify for assistance. Alnylam reserves the right to make eligibility determinations and to modify or discontinue any program at any time.

†Patients with Medicare, Medicaid, or other government-sponsored insurance are not eligible for the Alnylam Assist® Copay Program. Out-of-pocket costs for the administration of Alnylam products will not be covered for patients residing where it is prohibited by law or where otherwise restricted.

Financial assistance programs (continued)

Gap coverage assistance

If your patients experience a delay or change in coverage, there are programs that may be able to help. An Alnylam Case Manager will determine appropriate programs based on eligibility after a Start Form has been submitted.

- The Alnylam Assist® Bridge Program provides medication for eligible patients who experience a change or delay in coverage
- The Alnylam Assist® Quick Start Program[†] provides medication for eligible new patients who experience a delay in coverage

Alnylam Assist® Patient Assistance Program (PAP)

PAP provides access to treatment at no cost for eligible patients, primarily those who are uninsured.

- **An Alnylam Case Manager will proactively assess your patient's eligibility after a Start Form has been submitted**

[†]This program is only available for new AMVUTTRA® (vutrisiran) patients.

MEET THE TEAM

Alnylam Patient Education Liaisons*

Patient Education Liaisons (PELs) have backgrounds in nursing and are available to provide education to patients and their families throughout the treatment journey.

Support services include:

- Providing pre- and post-treatment disease education
- Answering questions about treatment
- Hosting individual, family, or group meetings
- Connecting patients to other resources and support

There are several ways for patients to connect with a PEL:

- Patients can submit a PEL Consent Form found on the Alnylam Assist® website at AlnylamAssist.com
- An Alnylam Case Manager can connect a patient with a PEL after a Start Form has been submitted
- A patient can call Alnylam Assist® at **1-833-256-2748** to be connected to a PEL upon request

*PELs are employees of Alnylam Pharmaceuticals and are not acting as healthcare providers. They do not provide medical care or advice. All diagnosis and treatment decisions should be made by the treating physician and their patients.

MEET THE TEAM

Alnylam Case Managers

An Alnylam Case Manager is available to support your patient one-on-one once a Start Form has been submitted. They will connect with your patient and your practice within two business days to help with treatment initiation.

Support services include:

- Benefit verification and a Summary of Benefits readout specific to your patient
- Financial assistance eligibility assessment and enrollment[†]
- Support with continuity of care (through coverage changes, travel plans, etc)
- Patient outreach before and after each treatment
- Coordination with other Alnylam Assist[®] Support Team members

[†]Patients must meet specific eligibility criteria to qualify for assistance. Alnylam reserves the right to make determinations and to modify or discontinue any program at any time.

MEET THE TEAM

Alnylam Field Reimbursement Team

Field Reimbursement Directors (FRDs) and Field Reimbursement Managers (FRMs) are your points of contact for any questions related to insurance coverage, coding, and reimbursement.

Support services include:

- Product billing and coding education
- Education on Payer coverage requirements
- Prior authorization and appeals education
- Treatment site identification support

There are two ways to connect with the Field Reimbursement Team:

- An FRD/FRM will reach out to you after a Start Form has been submitted
- You can request an FRD/FRM through an Alnylam Sales Representative

Resources for your practice and your patients

The following resources and more can be accessed through the Alnylam Assist® website at AlnylamAssist.com.

Coverage and treatment initiation resources

- Billing and coding guides
- Access and reimbursement guides
- Provider readiness guide
- Sample letters of medical necessity

Product, patient, and program resources

- **For your practice:** dosing and administration guides, and prescribing information
- **For your patients:** product brochures, caregiver guides, and insurance resources

Support services from Alnylam Assist® include:

- Support determining coverage and initiating treatment
- Navigating financial assistance options
- Providing disease and treatment education
- Offering resource materials for you and your patients
